

## In the Hands of God

Em

We have raised our hopes and our cities high

D

We have followed fragile dreams

C

G

But only One could take the measure of our goals

Em

And we've stumbled over the trials of life

D

And we've wrestled the unseen

C

G

But only One can calm the storm inside our souls

G

D

*In the hands of God we will fall*

C

*Rest for the restless, and the weary*

G

*Hope for the sinner*

G

D

*In the hands of God we stand tall*

C

*Hands that are mighty to deliver*

G

*Giving us freedom*

When our strength gave way to the weight of guilt

'Til we strained for every breath

Only One could lift our shame and make us well

And when all is finished and we face

The fearsome power of death

Only One has overcome the gates of hell

D

You're amazing

C

G

You're amazing, You are

D

And we praise You, Lord

C

G

For what Your hands have done
