

## In My Love

1  
I have looked you in the eyes  
5  
I have seen the tears you cried  
6m 4  
I have heard you question why you are here

There is a reason, there's a plan  
There is a God Who understands  
He's got your life inside His hands  
Have no fear 'cause He says

### Chorus:

1  
*In all your hurt and in all your pain*  
6m  
*I'll never leave, I won't forsake*  
5  
*You're my child and I'm your God*  
4  
*Come and rest in my love*

I know this road is deep  
And I know you're tired and weak  
But the God of perfect peace is right here

He is the shelter from the storm  
He is the rock firm and secure  
He is hope forever more  
Have no fear 'cause He says

### Chorus 2:

When everything seems out of control  
I'm holding on, I won't let go  
You're my child and I'm your God  
Come and rest in my love

### Bridge:

4 1  
There is hope tonight  
5 6m  
There is everlasting life  
4 1  
Wipe away your tears  
5 6m  
Coz the morning sun will rise  
4 5  
Love will never fail  
He will never fail  
He says
