

## One Thing Remains

4                      1                      5  
Higher than the mountains that I face  
4                      1                      5  
Stronger than the power of the grave  
4                      1                      5  
Constant through the trial and the change  
4 1 5  
One thing remains  
4 1 5  
One thing remains

### Chorus

6m  
*Your love never fails*  
4  
*It never gives up*  
1                      5  
*It never runs out on me*

4                      1                      5  
On and on and on and on it goes  
4                      1                      5  
It overwhelms and satisfies my soul  
4                      1                      5  
And I never ever have to be afraid  
4 1 5  
This one thing remains

### Bridge:

4                      1  
In death and in life  
5                      6m  
I'm confident and covered by  
4                      1                      5  
The power of your great love  
My debt is paid  
There's nothing that can separate  
My heart from your great love
