

Tasting Forgiveness

1
I'm pleading my innocence here
3m
Exposing my arrogance all the while
2m 4
Hoping that nobody sees
1 (1b/5)
Especially You

I've yielded to all that has cost me
And thrown to the side what is free
And I'm lying if I say that I've figured it out

2m 5
But maybe this time
2m 5
The bread and the wine
1 1b/5 4
Will be more than food on my lips

Chorus

1
I'm tasting forgiveness
1b/5
And drinking of mercy
4
I feast on redemption
1 (1b/5)
Tasting forgiveness
