I Will Run to You

```
1       4           1
Your eye is on the sparrow
            4       5       6m
And Your hand, it comforts me
            7           4
From the ends of the Earth
        5           1
to the depth of my heart
            4           2m          5
Let Your mercy and strength be seen
```

[Verse]

```
        4       5       1
You call me to Your purpose
    4       5       6m
As angels understand
            7   4
For Your glo - ry,
            5               1
may You draw all men
            4           5           1
As Your love and grace demand
```

[Chorus]

```
                4 5   1                   5       6m
And I will run to you, To Your words of truth
        2m7                 1
Not by might, not by power
                4       5
But by the spirit of God
                4   5   1                   5       6m
Yes I will run the race, 'Till I see Your face
            2m7         5sus                1
Oh let me live in the glory of Your grace
```
