

Light the Fire

G D C D
I stand to praise You But I fall on my knees
G D C D
My spirit is willing But my flesh is so weak

 C D
Light the fire In my soul

 C D
Fan the flame Make me whole

 C D
Lord, You know Where I've been

 Am D G
So light the fire in my heart again

I feel Your arms around me
As the power of Your healing begins
Your healing begins
You breathe new life right through me
Like a mighty rushing wind
