

There is None Like You

1 5 6m 5

There is none like you

4 1/3

No one else can touch

2m 5

my heart like you do

1 5

I could search for all

7# 4 5 1

eternity long and find

5 1

There is none like you

Reff:

4 5 1 6m

Your mercy flows like a river wide

4 5 1

And healing comes from Your hands

4 5

Suffering children

1 6m

are safe in Your arms

2 5

There is none like You
