

Throne of Praise

F
As long as I have breath
I'll find a way to say
Bb
That "I love You"

Everything may change
And the world may pass away
Bb
I'll still love You

Pre-Chorus:

Bb C/E F
With every song we sing
Gm F/A Bb
Every prayer we prayed

Made from the sound of praise

Jesus, we lift You on our praises
Bb
So every eye can see Your face

Your power and grace

You Oh Lord deserve
The praise of all the earth

The sacrifice you died
Now great and glorified
And we worship You
