He Will Carry You

```
   1                        6m
There is no problem too big
            2m
God cannot solve it
  4                        5
There is no mountain too tall
               1      4  5
He cannot move it
There is not storm too dark
God cannot calm it
There is no sorrow too deep
He cannot soothe it
```

Chorus:
```
        1                        6m                2m
If He carried the weight of the world upon His shoulders
5                                        1
I know, my brother that He will carry you
        1                        6m                2m
If He carried the weight of the world  upon His shoulders
5                                        1
I know, my sister that He will carry you
```

Bridge:
```
           6m          3m  2m
He said "Come unto me all who are weary
1/3  4      5          1
And I will give you rest"
```
