

## All I Have is Christ

5                      2m  
I once was lost in darkest night  
5sus                  1  
Yet thought I knew the way.  
6m                                  4  
The sin that promised joy and life  
5                      1  
Had led me to the grave.  
1    4  
I had no hope that You would own  
2m                  6m  
A rebel to Your will.  
5    2m  
And if You had not loved me first  
5sus                  1  
I would refuse You still.

But as I ran my hell-bound race  
Indifferent to the cost  
You looked upon my helpless state  
And led me to the cross.

And I beheld God's love displayed  
You suffered in my place  
You bore the wrath reserved for me  
Now all I know is grace.

### Chorus:

4 1                      5                  6m  
*Hallelujah! All I have is Christ*  
4 6m                      5                  1  
*Hallelujah! Jesus is my life*

Now, Lord, I would be Yours alone  
And live so all might see  
The strength to follow Your commands  
Could never come from me.

Oh Father, use my ransomed life  
In any way You choose.  
And let my song forever be  
My only boast is You.
