

In Your Arms

Verse 1

1 5 6m
I long to be in Your embrace
3m 4
To sit down at Your feet
2m 1 5
I hear Your voice, You're calling

1 3m 6m
Lord I thirst to read your words of love
6m 4
Remind me of Your grace
5 1
On Calvary

Chorus 1

5# 7 2#
Our sin and debt that weighed on us
4 7
You shined Your light to lead us out of the dark
5# 7 1m
Your light and everlasting life
4 7 5# 5
In Your presence there's no other place I'd rather be

Verse 2

I long to be in Your embrace
To spend my time in prayer
You beckon me, draw nearer

Lord I trust in Your great, sovereign plan
Remind me that You're here
And always good

Chorus 2

In times of pain and deep despair
Your peace it goes beyond the chaos in my mind
Your hope, an everlasting calm
In Your presence there's no other place I'd rather be

Outro

I long to see You face to face
On that day that I
Hear Your voice, You'll call me

To that place of everlasting life
In Your presence
Always in Your arms
