

## A Thousand Hallelujahs

[Verse 1]

1/3                    4                    1  
Who else would rocks cry out to worship  
1/3                    4                    1  
Whose glory taught the stars to shine  
4                    5                    6m                    5                    4  
Perhaps creation longs to have the words to sing  
4                    5                    1  
But this joy is mine

[Chorus]

4                    1                    5                    6m                    5  
With a thousand hallelujahs we magnify Your name  
4                    1                    5                    6m                    5  
You alone deserve the glory, the honor and the praise  
4                    5                    1 3m 6m 5  
Lord Jesus, this song is forever Yours  
4                    1/3                    5                    1  
A thousand hallelujahs and a thousand more

[Verse 2]

Who else would die for our redemption  
Whose resurrection means I'll rise  
There isn't time enough to sing of all You've done  
But I have eternity to try

[Chorus]
